Malta

## Report of the Board of Governors of the Authority

The Board of Governors of the Authority (hereinafter referred to as the 'Board of the Authority') submit their annual report and the audited financial statements for the year ended 31 December 2022.

### Principal activity

The Authority was established by virtue of the Gaming Act, Chapter 583 of the Laws of Malta for the purpose of carrying out the functions defined in the said Act.

### Results

The operating revenue including the release of unclaimed player funds generated by the Authority during the year amounted to EUR82,161,044 (2021: EUR81,351,770). After deducting all expenditure the Authority registered a surplus for the year of EUR70,254,221 (2021: EUR69,601,539). The Authority transferred EUR70,418,264 (2021: EUR 71,288,646) to the Government of Malta.

### Board of Governors of the Authority

The members of the Board of the Authority who acted in such position during the year under review are listed on page 129.

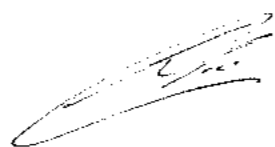

### Chairperson

In accordance with Article 6(4) and the First Schedule of the Gaming Act, Chapter 583 of the Laws of Malta, the Chairperson and the other members of the Board of the Authority are appointed by the Minister responsible for the gaming sector.

### Auditors

Ernst & Young Malta Limited have expressed their willingness to continue in office and a resolution for their re-appointment will be proposed at the next meeting of the Board of the Authority.

The Report of the Board of Governors of the Authority is signed on their behalf by:

DR RYAN C. PACE  
Chairperson  
22 March 2023

CARMEN CIANTAR  
Board Member

A member firm of Ernst & Young Global Limited.  
Registered in Malta No: C30252

## Independent Auditor's Report to the Board of Governors of the Malta Gaming Authority

### Report on the audit of the financial statements

#### Opinion

We have audited the financial statements of the Authority, which comprise the statement of financial position as at 31 December 2022 and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies on pages 139 to 152.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Authority as at 31 December 2022, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union (EU) and the Gaming Act, Chapter 583 of the Laws of Malta.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Authority in accordance with the International Code of Ethics for Professional Accountants (including international independence standards) as issued by the International Ethics Standards Board of Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in accordance with the Accountancy Profession (Code of Ethics for Warrant Holders) Directive issued in terms of the Accountancy Profession Act, Cap. 281 of the Laws of Malta, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other information

The other information obtained at the date of the auditor's report is the 2022 Board of Governors Report. The Board of the Authority is responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Board of Governors' Responsibility for the Financial Statements

The Board is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS and the requirements of the Gaming Act, Chapter 583 of the Laws of Malta, and for such internal control as the Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intend to liquidate the Authority or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors;

- conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Authority to cease to continue as a going concern; and
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of the Authority regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The partner in charge of the audit resulting in this independent auditor's report is Shawn Falzon for and on behalf of

The accounting policies and explanatory notes on pages 139 to 152 form an integral part of the financial statements.

## Notes to the Financial Statements

### 1 CORPORATE INFORMATION

The Authority is established by virtue of the Gaming Act, Chapter 583 of the Laws of Malta. The principal activity of the Authority is to govern and supervise the gaming sector in Malta.

### 2.1 BASIS OF PREPARATION

These financial statements have been prepared on a historical cost basis and are presented in Euro. The financial statements have been prepared on a going concern basis which assumes that the Authority will be able to meet its financial obligations as and when they fall due.

#### Statement of compliance

These financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union (EU) and comply with the Gaming Act, Chapter 583 of the Laws of Malta.

### 2.2 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

#### Standards, interpretations and amendments to published standards as endorsed by the EU effective in the current year

The accounting policies adopted are consistent with those of the previous financial year, except for the following amendments to IFRS effective during the year:

- Amendment to IFRS 3 Business Combinations; IAS 16 Property, Plant and Equipment; IAS 37 Provisions, Contingent Liabilities and Contingent Assets; and Annual Improvements 2018–2020 (All issued 14 May 2020)

The adoption of these standards did not have significant impact on the financial statements or performance of the Authority.

Several other amendments and interpretations apply for the first time in 2022, but do not have an impact on the financial statements of the Authority. The Authority has not early adopted

any standards, interpretations or amendments that have been issued but are not yet effective.

#### Standards, interpretations and amendments to published standards as adopted by the EU which are not yet effective

Up to date of approval of these financial statements, certain new standards, amendments and interpretations to existing standards have been published but which are not yet effective for the current reporting year and which the Authority has not early adopted but plans to adopt upon their effective date. The changes resulting from these standards are not expected to have a material effect on the financial statements of the Authority. The new and amended standards follow:

- Amendments to IFRS 17 Insurance contracts: Initial Application of IFRS 17 and IFRS 9 – Comparative Information (issued on 9 December 2021)
- Amendments to IAS 12 Income Taxes: Deferred Tax related to Assets and Liabilities arising from a Single Transaction (issued on 7 May 2021)
- Amendments to IAS 1 Presentation of Financial Statements and IFRS Practice Statement 2: Disclosure of Accounting policies (issued on 12 February 2021)
- Amendments to IAS 8 Accounting policies, Changes in Accounting Estimates and Errors: Definition of Accounting Estimates (issued on 12 February 2021)
- IFRS 17 Insurance Contracts (issued on 18 May 2017); including Amendments to IFRS 17 (issued on 25 June 2020)

## 2.2 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES – continued

### Standards, interpretations and amendments that are not yet endorsed by the EU

Up to date of approval of these financial statements, certain new standards, amendments and interpretations to existing standards have been published but which are not yet adopted by the EU. The Authority plans to adopt the new standards upon their effective date. The new and amended standards follow:

- Amendments to IAS 1 Presentation of Financial Statements:
- Classification of Liabilities as Current or Non-current Date (issued on 23 January 2020);
- Classification of Liabilities as Current or Noncurrent –Deferral of Effective Date (issued on 15 July 2020); and
- Non-current Liabilities with Covenants (issued on 31 October 2022)
- Amendments to IFRS 16 Leases: Lease Liability in a Sale and Leaseback (issued on 22 September 2022)

## 3 SUMMARY OF ACCOUNTING POLICIES

The significant accounting policies used in the preparation of these financial statements are set out below:

### Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Authority and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable for licenses, compliance contribution and levies and application fees in the normal course of business. All revenue is recognised on the accrual basis. The following specific recognition criteria must also be met before revenue is recognised:

#### Licences

Revenue is recognised when the licence becomes due. It is accounted for on a straight-line basis over the term of the licence.

#### Application fees

Revenue is recognised upon receiving the consideration together with a valid application form.

#### Compliance contribution and levies

Depending on the type of licence, revenue from compliance contribution and levies is either charged on a fixed fee basis or is based on a percentage of the regulated companies' reported gross gaming revenue, up to a capped amount for remote gaming companies.

#### Penalties and other fees

Penalties and other fees represent enforcement penalties imposed by the Authority. Penalties and other fees are accounted for on an accrual basis and are recognised when realisation is probable, and the amount can be measured reliably.

#### Interest income

Interest income is recognised as the interest accrues, unless collectability is in doubt.

### Trade and other receivables

Trade receivables are recognised and carried at original amount due less an allowance for any uncollectible amounts. An estimate for impairment is made when collection of the full amount is no longer probable. Impaired debts are derecognised when they are assessed as uncollectible.

Amounts due from related parties are recognised and carried at cost.

### Impairment of financial assets

The Authority recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Authority expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables and contract assets, the Authority applies a simplified approach in calculating ECLs. Therefore, the Authority does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Authority has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

### Cash and cash equivalents

Cash in hand and at banks and term deposits which are held to maturity are carried at cost. Cash and cash equivalents are defined as cash in hand, demand deposits and short-term, highly liquid investments readily convertible to known amounts of cash and subject to insignificant risk of changes in value. For the purposes of the statement of cash flows, cash and cash equivalents consist of cash in hand and deposits at banks, net of overdrawn bank balances.

### Grant

Grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

### Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Authority.

Amounts due to related parties are carried at cost.

### Intangible assets

Intangible assets are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation expense on intangible assets is recognised in the statement of comprehensive income. Amortisation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

	%
Computer software	25

### Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and/or accumulated impairment losses, if any. Depreciation is calculated to write off the cost of the property, plant and equipment on a straight-line basis over their expected useful life as follows:

	%
Leasehold improvements	6.67
Furniture and fittings	10 – 16.67
Office equipment	16.67 – 25
Motor vehicles	20
Computer equipment	25

Gains and losses arising on de-recognition upon disposal of property, plant and equipment (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement in the year the asset is derecognised.

## Leases

The Authority assesses at contract inception whether a contract is, or contains a lease. That is if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Authority applies a single recognition and measurement approach for all leases, except for short term leases and leases of low value assets. The Authority recognises lease liabilities to make lease payments and right of use assets representing the right to use the underlying assets.

### Right-of-use assets

The Authority recognises right-of-use assets at the commencement date of the lease (i.e. the date the available asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities following any modification of the underlying lease. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right of use assets are depreciated on a straight line basis over the shorter of the lease term and the estimated useful lives of the asset. The right-of-use assets are also subject to impairment.

### Lease liabilities

At the commencement date of the lease the Authority recognises lease liabilities at the present value of future lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate and amounts expected to be paid under residual value guarantees. The lease payments also include payments of penalties for terminating the lease if the lease term reflects the Authority exercising the option to terminate.

In calculating the present value of lease payments, the Authority uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date the amount of lease

liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of any options related to the lease.

## 4 SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

In preparing the financial statements, the Board is required to make judgements, estimates and assumptions that affect reported income, expenses, assets, liabilities and disclosure of contingent assets and liabilities. Use of available information and application of judgement are inherent in the formation of estimates. Actual results in the future could differ from such estimates and the differences may be material to the financial statements. These estimates are reviewed on a regular basis and if a change is needed, it is accounted in the period the change becomes known.

### Provisions for claims and contingent liabilities

Claims have been made against the Authority by third parties. Judgement is required to determine whether these claims will require an outflow of resources and whether these could be reliably estimated. The Authority quantifies the claims based on the damages and determines the probability of the outflow based on the advice provided by the legal counsel.

Where the Authority believes that the claims would probably result in an outflow of resources and can be reliably estimated, a provision is recognised. Where there is a possible obligation, but probably there will not be an outflow of resources, no provision is recognised whilst a contingent liability is disclosed.

In the opinion of the Board, the accounting estimates, assumptions and judgements other than those mentioned above, made in the course of preparing these financial statements are not difficult, subjective or complex to a degree which would warrant their description as critical in terms of the requirements of IAS 1 (revised) – 'Presentation of financial statements'.

## 5 REVENUE

Revenue comprises the following:

	2022	2021
	EUR	EUR
Licence fees	9,374,368	9,313,516
Application fees	209,970	265,000
Other revenue	1,276,600	1,327,606
Total authority fees	10,860,938	10,906,122
Compliance contribution and levies	69,306,097	68,603,737
<b>Total revenue</b>	<b>80,167,035</b>	<b>79,509,859</b>

As at year ended 31 December 2022, the Authority also issued Notices governing administrative penalties amounting to EUR49,900 (2021: EUR93,000) which became or will become due through the issuance of the subsequent and final enforcement measure. The fees generated will be recognized as income once the Authority's position is confirmed.

Number of licences in issue at end of year:

	2022	2021
	No.	No.
Commercial bingo houses	3	4
Casinos	4	4
Gaming parlours	28	64
National lotteries	1	1
Remote online gaming licences	347	341
<b>Total number of licenses at end of year</b>	<b>383</b>	<b>414</b>

## 6 EXPENSES BY NATURE

	2022	2021
	EUR	EUR
Auditor's remuneration	26,550	26,550
Chairperson's emoluments and Board honoraria (note 18)	59,416	73,535
Staff costs (note 7)	7,389,318	7,161,461
General administrative expenses	1,788,168	1,050,531
Professional fees	472,387	576,589
Promotional expenses	526,837	128,592
Depreciation and amortisation on property, plant and equipment and intangible fixed assets (notes 10 and 11)	1,020,671	1,222,143
Provision for doubtful debts (note 12)	210,059	136,440
Contributions to other entities	1,075,570	1,235,928
<b>Total administrative and other expenses</b>	<b>12,568,976</b>	<b>11,611,769</b>

## 7 EMPLOYEE INFORMATION

### a. Staff costs

The total employment costs were as follows:

	2022	2021
	EUR	EUR
Salaries	6,583,061	6,412,602
Social security costs	438,365	432,425
Fringe benefits	145,112	163,121
	7,166,538	7,008,148
Other related costs	222,780	153,313
	7,389,318	7,161,461

### b. Staff numbers

- (iii) Accrued income included with Compliance Contribution, Levies and Licences receivable comprise of compliance contribution payable to the Authority for which no request for payment has been issued yet.

## 13 RESERVES

## a. Equity reserve

Funds for the creation of the Reserve have been retained from the gaming taxes collected. This was transferred to Equity reserve with approval of the Ministry of Finance.

## b. Reserve fund

The Reserve Fund represents accumulated excess of revenue over expenditure.

## c. Unclaimed prizes reserve

The National Lottery Licensee is to pay funds standing in its unclaimed prizes reserve to the Authority. The Authority shall appropriate such funds in accordance with the Gaming Act (Chapter 583 of the Laws of Malta) and any other applicable regulatory instrument issued thereunder.

## 14 PROVISION FOR CLAIMS AND CONTINGENT LIABILITIES

*Provision for claims*

During 2014, a gaming operator initiated, court proceedings against the Authority claiming loss of profits from the Authority in the region of EUR790,000. In May 2019, the court case was decided in favour of the Authority and the gaming operator appealed the decision. In May 2022 the court of appeal confirmed the initial court decision in favour of the Authority. During the year the Authority reversed the provision in relation to these claims.

*Contingent liabilities*

In 2016, an operator had initiated legal proceedings against the Authority disputing new licences issued by the Authority. This case was decided in the Authority's favour in the first instance on 29 September 2022. The operator appealed this judgement and the appeal date has yet to be set by the Court of Appeal. A reliable estimate of a potential claim against the Authority cannot be made. Accordingly, no provision for any liability has been made in these financial statements.

In 2021, an appeal to revoke the decision of the Authority on due diligence matters was filed with the Administrative Review Tribunal ("Tribunal"). Claims for damages relating to loss from potential profits were included in such appeal. In February 2023, the Tribunal had decided the case in favour of the Authority, but the decision can still be appealed. The Authority continues to contest these claims and to follow the advice of its legal counsel. Any potential claim for damages cannot be reliably estimated and accordingly, no provision for any liability has been made in these financial statements.

Up to the date of the authorisation of these financial statements, there were no other material claims made against the Authority that are expected to lead to a possible obligation.

## 15 TRADE AND OTHER PAYABLES

	2022	2021
	EUR	EUR
Unclaimed player funds (note i)	9,932,462	8,599,573
Deferred income	4,291,446	4,353,018
Advances received from operators	898,053	962,097
Trade and other payables	902,489	1,110,144
Accruals	999,432	511,614
	<b>17,023,882</b>	<b>15,536,446</b>

i Balance includes unclaimed player funds and dormant accounts from Remote Gaming operators which are passed on to the Authority by the licensee when no transactions have been recorded on players' account for more than thirty months or upon surrender of licence by the operator.

## 16 CASH AND CASH EQUIVALENTS

Cash and short-term deposits consist of cash in hand and balance with banks. Cash and cash equivalents included in the statement of cash flows reconcile to the statement of financial position amounts as follows:

	2022	2021
	EUR	EUR
<b>Cash at bank and in hand</b>	<b>13,117,299</b>	<b>12,530,178</b>

## 17 FINANCE LEASE LIABILITIES

	2022	2021
	EUR	EUR
<i>Current</i>		
Finance lease liabilities (i)	350,470	324,850
<i>Non-current</i>		
Finance lease liabilities (i)	3,000,026	3,350,115

(i) Finance lease liabilities bear interest at the rate of 3.6% per annum

## 18 RELATED PARTY DISCLOSURES

Related party	Year	Total transactions with related parties	Amounts owed to related parties at year end	Type of transaction
		EUR	EUR	
Government of Malta - The Treasury	2022	70,418,264	-	Payments made to/ on behalf of gov
Government of Malta - The Treasury	2021	71,288,646	-	Payments made to/ on behalf of gov

### Key management personnel

The Chairperson and the Board of the Authority are considered to be key management personnel. Included in 'Administrative and other expenses' (note 6) are salaries paid to the Chairperson and Board amounting to EUR59,416 (2021: EUR73,535).

## 19 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

At the year end, the Authority's main financial assets on the statement of financial position comprise trade and other receivables, and cash at bank and in hand. At the year end, there were no financial assets off the statement of financial position.

At the year end, the Authority's main financial liabilities on the statement of financial position consisted of amounts due to government, other payables, accruals and deferred income.

### Contractual maturity profile of financial liabilities

The presentation of the financial assets and liabilities listed above under the current and non-current headings within the statement of financial position is intended to indicate the timing in which cash flows will arise. The maturity profile of the financial liabilities of the Authority as at year end is as disclosed in notes 15 and 17.

### Credit risk

The Authority trades only with licensed, creditworthy third parties. Receivable balances are monitored on an ongoing basis with the result that the Authority's exposure to impaired debts is not significant. Carrying amounts for trade receivables are stated net of any impairment provisions, when necessary, which are prudently made against debts in respect of which management reasonably believes that recoverability is doubtful. Credit risk with respect to debts is limited due to the number of licensees comprising the Authority's debtors' base. The Authority's cash at bank is placed with quality financial institutions. The Authority has no significant concentration of credit risk.

### Liquidity risk

Liquidity risk is the risk the Authority will not be able to meet its financial obligations as they fall due. The Authority's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal or stressed conditions, without incurring unacceptable losses or risking damage to the Authority's reputation.

### Fair values

The carrying amounts of cash at bank and in hand, trade receivables, trade payables and accrued expenses approximated their fair values.

### Interest rate risk

With the exception of cash and bank balances, the value of the Authority's assets and liabilities are not subject to interest-rate movements.

## Supplementary statement for the year ended 31 December 2022
