

<b>Criterion</b>
<i>Overview of stand - The Authority's space is an island open on all sides, measuring 12m x 8.5m (102sq.m). The height limit for Single Storey Stand is 4 metres, whereas the height limit for Multi Storey stand is 6 metres. This includes all Stand fitting, walls, lighting, signage and platforms. Truss, banners and other flown items are permitted. No more than 50% of the stand length or width (on any side) may be used for walling of any kind (including solid material, frosted material, draping or translucent material). All equipment within the stand must be placed at least 0.5metres away from the perimeter edge. The top of the stand must be finished neatly as it will visible from anywhere within the exhibition hall.</i>
<b>The technical and aesthetical design of the stand should portray Malta Gaming Authority as the leading gaming jurisdiction globally and within the EU.</b>
<i>To achieve this, the bid will be evaluated taking into consideration the following sub-criteria:</i>
<i>- In order to stand out from the other stands, the design of the Malta Gaming Authority's stand has to be Original, Creative, and Distinct from the conventional/customary stands.</i>
<i>- Stand design has to be attractive and functional reflecting the Malta Gaming Authority's corporate image and constructed in a manner which will enable the stand to be visible from distance.</i>
<i>- The proposed design needs to ensure that a stand that faithfully reproduces the proposed drawings and that meets all the applicable EU health and safety measures can be actually manufactured.</i>
<i>- Wording has to be reduced to a minimum but the name 'Malta Gaming Authority' and the Authority's logo must feature prominently within the design of the stand so as to permit visitors to clearly identify the exhibitor at first sight.</i>
<i>- Stand has to be clean, free of clutter with all accessories (storage area, 2 coffee machines, refrigerator) enclosed within the stand including 2 enclosed offices for private meetings. The design has to have a layout with a minimalist and fashionable look.</i>
<i>- The stand has to portray an aura of sophistication and its design has to attract attention without being too pretentious. All material (quality and specification) used has to reflect this criterion.</i>
<i>- Presentation and quality of the items shall feature in the bid.</i>
<b>Services and logistics</b>
<i>- Provide the Authority with scaled plans with measurements together with 3D renders of the same design from all angles to enable a complete understanding by stand building contractors.</i>
<i>- Assist the Authority in compiling detailed specifications when preparing tender call for the construction of MGA stand.</i>
<i>- Assist the Authority during meetings with the successful stand building contractor to ensure compliance to stand designs.</i>
<i>- If required, to co-ordinate with event organisers to ensure that the stand design is compliant with event guidelines.</i>
<i>- Monitor entire process of the construction of the stand.</i>
<i>- Oversee the construction of the stand on site (in the event that stand is being assembled overseas, such as in London, flights, accommodation and other expenses are to be borne by the successful designer).</i>
<i>- In these cases, before official opening of expo, stand has to be ready without defects and true to the original drawings.</i>

<ul style="list-style-type: none"> <li>- Provide the Authority with any other support that might be required throughout duration of the expo.</li> </ul>
<b>Materials and Finishing</b>
<ul style="list-style-type: none"> <li>- Flooring and lighting</li> <li>- Visuals and graphics</li> <li>- Facilities on the Stand</li> <li>- Storage Areas for merchandise, printed material, etc.</li> <li>- Enclosed Office Space furnished with Coffee Machine and Refrigerator</li> <li>- Coffee Station complete with refrigerator</li> <li>- Cloak Room</li> <li>- Furnishings including but not limited to Furniture, Carpeting, etc.</li> <li>- Audio / Visual Equipment required</li> <li>- Electricity and Internet connection</li> <li>- General Stand and Other Requirements as deemed necessary</li> </ul>
<b>Company Capability and past experience</b>
<ul style="list-style-type: none"> <li>- Provide examples of custom designed stands.</li> <li>- Provide proof that bidder has the necessary experience and resources to deliver on all the criteria mentioned above.</li> </ul>

<b>Costs and Budget</b>
<p><i>The Authority has a total set budget of €75,000 for the Construction, Dismantling and Installation of the Stand. Therefore, all designs should be ensured not to exceed this limit in their respective execution.</i></p>
